

## Jupiter Country Club opens Cay Café with Luau Party

Jupiter Country Club recently debuted their newly renovated restaurant for members. Located at the community's Sports and Social Complex, Cay Café, offers a casual dining experience. Open for breakfast, lunch and dinner, the restaurant also features an attached Turn Station for golfers. Member favorites at the café include the quinoa salad, Ms. Sharon's banana bread and the tuna tacos.

To celebrate the grand opening of Cay Café, Jupiter Country Club hosted a Luau Party on the pool deck connected to the restaurant. Members enjoyed a sample of the food to be served at the café, live fire and Polynesian dancers, photo booths and drinks.

Leading the food and beverage operations, Jupiter Country Club recently hired Executive Chef David Rodriguez, who served in the same position at La Gorce Country Club in Miami and previously opened Gloria Estefan's Costa d'Este hotel in Vero Beach. Rodriguez also opened restaurants in Stuart and Lantana specializing in tapas and farm-to-table cuisine.

In addition to the new restaurant, the community also added a lighted Sports Court for pickleball and basketball plus bocce ball courts at the Grand Clubhouse.
