TRADITIONAL EXTERIOR DESIGN
INCLUDES A LARGER BEDROOM #2.

THE ANSFORD HIGHLIGHTS

- The lower level boasts a tandem garage and ample storage.
- The living level includes an open and airy floor plan featuring a living room, a formal dining room, a powder room, and a well-designed kitchen with an island, and an adjacent sunlit breakfast area.
- The bedroom level features a master bedroom that includes a cathedral ceiling, a walk-in closet, and a private bath with a dual-sink vanity and a shower with a seat. Also included is an additional bedroom with a vaulted ceiling and a private bath, and a convenient laundry.
- This home features nine-foot ceilings throughout the living level.
