THE ALTAS HIGHLIGHTS

- A stunning two-story foyer welcomes you into this beautiful open-concept home.
- Ideal for hosting any social gathering, this open floor plan unifies the main living spaces and showcases a sliding door system to the luxury outdoor living space.
- The stylish kitchen offers a large center island, an abundance of counter space, and a walk-in pantry.
- Enhancing the luxurious master bedroom is a graceful coffered ceiling and an elegant master bath that is complete with dual vanities, a private water closet, a large soaking tub, a glass-enclosed shower with a seat, and a spacious walk-in closet.
- Great for multi-generation entertaining, the appealing bonus room adds a secondary living space that is accessible to the upstairs bedrooms.
- Additional highlights include an appealing first-floor bedroom with a private bath, a secluded office, a convenient drop zone, and a second-floor laundry.
