SPANISH COLONIAL EXTERIOR DESIGN SHOWN

THE ESCENA HIGHLIGHTS

- An enchanting entrance is achieved through the attractive portico and private courtyard entry which lead you to the welcoming foyer complete with beautiful tray ceiling.
- Spacious great room, highlighted by a marvelous bank of windows, provides excellent views to the rear covered porch and is open to the kitchen.
- Exquisite kitchen features a large center island with breakfast bar, walk-in pantry, plenty of counter space, adjoining breakfast area, and access to the formal dining room.
- Located on the side of the foyer, the elegant dining room is accentuated by a dramatic bank of windows and includes a convenient built-in buffet.
- Extravagant master bedroom is complemented by a beautiful array of windows, abundant space, large walk-in closet, and luxurious master bath with dual vanities, soaking tub, separate shower, and private water closet.
