THE HARRISON HIGHLIGHTS

- The inviting foyer leads into the living room and the adjacent dining room, which includes stately columns.
- The kitchen is well-equipped and includes a breakfast bar that overlooks the family room creating a great space for entertaining family and friends and a spacious pantry.
- The master bedroom features two walk-in closets and a master bath with a dual-sink vanity, a shower with a seat, and a private toilet area.
- This home also includes an additional bedroom, a private study, and a hall bath.
- Ten-foot ceilings throughout the first floor.
