ITALIAN VILLA EXTERIOR DESIGN SHOWN

Second Floor

THE LARISSA HIGHLIGHTS

- Easily host formal dinners from the stylish open dining and great rooms, which proudly showcase several sunny window displays that fill the space with ample natural light.
- The well-appointed kitchen features a center island, desirable pantry space, and a well-placed window arrangement that affords scenic views of the rear yard.
- Enhancing the remarkable master bedroom is a vast amount of space, an alluring walk-in closet, and a dazzling master bath which features a splendid glass-enclosed shower.
- Also included is a versatile bonus room that is secluded on the third floor, which offers a substantial amount of space as well as pleasing views from a stately bank of windows.
- Additional highlights include an appealing covered entry, a second-floor laundry, and generous secondary bedrooms that provide access to private balconies.
