

THE LAS BRISAS HIGHLIGHTS

- Through a welcoming covered entry is a grand two-story foyer that showcases a magnificent curved staircase.
- The remarkable great room offers access to the luxury outdoor living space through a 15' sliding glass door system, creating a fabulous space for hosting any social gatherings.
- Easily prepare meals from the stylish kitchen which features an appealing walk-in pantry and an oversized center island that can seat multiple guests at the breakfast bar.
- Towards the rear of the home is a secluded bedroom, with a private bath, that is highlighted by a gorgeous view to the luxury outdoor living space and rear yard.
- This gorgeous master bedroom features an elegant coffered ceiling and has a luxurious master bath that offers a private water closet, dual vanities, a 6' soaking tub with a view, and two walk-in closets.
- Also included are two additional bedrooms on the second floor that each include a full bath, a desirable loft with an overlook to below, and a versatile office with a grand double-door entry.
