THE MALTESE HIGHLIGHTS

- A towering two-story foyer displays an elegant curved staircase and a gallery of art niches.
- A radiant fireplace and a soaring two-story ceiling highlight the great room.
- An expansive kitchen brims with desirable features including a walk-in pantry, an island counter top, a large desk space, and rear staircase access.
- The adjoining breakfast area offers an abundance of windows and access to the serene covered porch.
- The master bedroom features a tray ceiling and a private master bath that includes a spacious walk-in closet, dual vanities, a soaking tub, and a large glass-enclosed shower.
- A well-designed second-floor gameroom features a nine-foot tray ceiling and a first-floor overlook.
