THE MERRICK HIGHLIGHTS

- The grand foyer opens to the dining room and has an open view of the family room beyond.
- The well-appointed gourmet kitchen with a pantry and center island opens to the breakfast area with access to the covered patio and to the spacious family room.
- The master bedroom includes a tray ceiling, two large walk-in closets, and a private master bath with a Roman tub, a separate shower with a seat, and a dual-sink vanity.
- Additional features of this home include a private study with double doors, a secondary bedroom with a bath, and a convenient laundry room.
- This home features ten-foot ceilings throughout the first floor.

Master Bathroom with Optional Expanded Shower
