Spanish Colonial

- Dramatic covered entry opens to inviting foyer that is flanked by formal living room and elegant dining room with spacious gallery beyond.
- Splendid family room has easy access to the covered rear patio and is open to the expansive kitchen that features dual islands, walk-in pantry, and appealing butler pantry.
- Enormous master bedroom suite includes sitting area, private master bath that features dual-sink vanity, corner soaking tub, separate luxurious shower with seat, and oversized walk-in closet.
- Additional highlights are two laundry rooms, private baths for secondary bedrooms, appealing gameroom with covered patio, mudroom, and desirable four-car garage.
