THE SEQUOIA HIGHLIGHTS

- A stately covered entry with an elevated ceiling leads to a dramatic two-story foyer that showcases two stunning curved staircases that are sure to impress.
- Beyond the dual staircase is an elaborate sliding door system that provides views to the amazing two-story covered patio which separates the spacious great room and flex space, creating a sensational space for entertaining.
- Prepare meals with ease from the expansive kitchen, which includes a large center island, a plethora of counter space, a walk-in pantry, and convenient access to the formal dining room through the drop zone.
- Enhancing the phenomenal master bedroom suite is an alluring retreat, elevated coffered ceilings, and a spa-like master bath that includes a standalone tub with a view and a sizable walk-in closet that offers two islands.
- Great for multi-generation entertaining is the desirable bonus room, which is located in close proximity to the upper-level secondary bedrooms.
- Additional highlights include an appealing library that can be used for home office use, a radiant fireplace in the great room, an appealing first-floor bedroom, and generous secondary bedrooms that each include a private bath.
