THE SIMON HIGHLIGHTS

- The inviting foyer open to the study and stairs to the living level.
- An open concept living level features a spacious kitchen with a center island, a pantry, and has open views of the dining room and great room that has access to the outdoor living space.
- The bedroom level features a spacious master bedroom with dual walk-in closets and a master bath with a dual-sink vanity, private toilet area, and a wet room that includes a shower, a free-standing tub, and a seat. Also featured on this level are secondary bedrooms with access to a hall bath and a convenient laundry.
- A spacious loft with a powder and terraces complete this home.
- This home features ten-foot ceilings throughout the second floor and nine-foot ceilings throughout the first floor, third floor, and fourth floor.
