THE SOLITAIRE HIGHLIGHTS

- Welcoming you into this spectacular home is a grand two-story foyer that showcases an elegant dual staircase.
- The superb great room and open dining room are the perfect space for hosting family and friends, and an impressive array of windows fills the space with natural sunlight.
- Beyond is the magnificent kitchen, complete with an enormous center island with a breakfast bar, an abundance of counter space, and access to the desirable luxury outdoor living space through an impressive sliding door system.
- A spacious bonus room provides an alternate entertainment space central to the upstairs bedrooms.
- An elegant coffered ceiling complements the marvelous master bedroom suite, which features a relaxing retreat and a gorgeous master bath that includes a 6' standalone tub, a luxurious shower with dual drying areas, and a sizeable walk-in closet.
- This marvelous home also offers plenty of storage space, a useful office, and a parent(s) suite with its own private bath and living area.
