THE TORREY PINES HIGHLIGHTS

- Completing the enchanting entry sequence is a stunning two-story foyer, a brilliant curved staircase, and a direct line of sight to an eye-catching window arrangement that climbs up a soaring double-volume space.
- The dramatic two-story dining room is open to both the great room and kitchen, and offers an abundance of space that is brimming with natural light from a stately wall of windows.
- This well-appointed kitchen can accommodate all of your culinary needs as it includes a convenient prep kitchen, a huge walk-in pantry, a large center island, and an adjacent nook for informal dining.
- Easily entertain family and friends from the enormous great room which features a radiant fireplace, a magnificent window display, and an elaborate sliding door system that leads to a sizable luxury outdoor living space.
- Highlighting the sumptuous master bedroom is an exquisite coffered ceiling, dual walk-in closets, and a gorgeous master bath that offers a private water closet, an extravagant shower, dual vanities, and a grand soaking tub.
- Additional features include a spacious loft, an upstairs laundry, generous secondary bedrooms that each include a full bath, and an appealing second master bedroom that is located on the first floor.
