THE VOLARE HIGHLIGHTS

- An inviting covered entry adds curb appeal and welcomes guests into the captivating two-story foyer which showcases the alluring curved staircase.
- A soaring two-story ceiling, expansive windows, and a cozy fireplace that is flanked by entertainment niches help create the visually stunning great room.
- This kitchen offers ample counter space, a center island, a large a walk-in pantry, a breakfast bar, an adjoining breakfast area, and discrete access to the formal dining room.
- Highlighting the elegant master bedroom is a stunning array of windows, two walk-in closets, and a luxurious master bath that is complete with a glass-enclosed shower, a separate soaking tub, and a dual-sink vanity.
- Additional highlights include a desirable covered patio, and walk-in closets for each bedroom.
