THE WEATHERSTONE HIGHLIGHTS

- The expansive foyer offers a view of the elegant turned stair and is flanked by the formal living room and dining room.
- The gourmet kitchen boasts a large center island and is located adjacent to the sunlit morning room with cathedral ceiling, and the large family room that includes a fireplace.
- The master bedroom suite offers a sitting area, a large walk-in closet, and a private bath with a separate shower with a seat, dual vanities, a Roman tub, and a private toilet area.
- The second floor of this home also includes three additional bedrooms that each feature a walk-in closet and private access to a bath. Additionally, a loft and a conveniently located laundry are also located on the second floor.
- This home also includes a private first floor study with double doors.
- Ten-foot ceilings throughout the first floor and nine-foot ceilings throughout the second floor. Eight-foot interior doors throughout.
